**PROFILE** Multimedia & Graphic Design graduate working across the full creative-to-marketing pipeline from brand identity, editorial and motion through to paid media, content strategy and lead generation. I turn complex, technical products into clear, catchy communication, grounded in analytical thinking and a deep respect for systems where every element earns its place.

**EDUCATION** Bachelor's Degree in Multimedia and Graphic Design, TEPAK, Cyprus University of Technology  
[September 2020- June 2024](#)

**EXPERIENCES** Marketing Officer at One Net  
[March 2026 - Present](#)  
Promoted from Junior Marketing Coordinator (Oct 2024 - Mar 2026)

- Drove the brand rollout across the One Net merger, web, social, email and partner materials, owning every touchpoint hands-on, art-directing the new logo to the C-suite's brief and redesigning the company website.
- Plan and run paid media end-to-end across LinkedIn, Meta, Google (Search & Display) and X, campaigns, copy, creative-to-budget, optimisation and reporting.
- Own the lead-gen-to-sales hand-off loop and present a performance report (social, Google Ads, leads) to the CEO, Sales Directors and Group Marketing Manager.
- Run email marketing (Mailchimp, Brevo), monthly content calendars and co-branded campaigns with technology partners, report with Meta, LinkedIn & Google Ads.

Graphic Designer - Social Media Coordinator at Think Positive  
[February 2024 - June 2024](#)  
Graphic Design Internship (Sep - Dec 2023)

- Designed brand and social content and coordinated the social calendar across channels, adapting assets across formats to brief and deadline.

Graphic Designer at TEPAK, Limassol  
[October 2021- August 2022](#)

- Produced materials for university departments and events, holding brand and grid consistency across every deliverable.

**SKILLS** Design  
Brand identity | Editorial & layout | Packaging | Motion graphics | Visual systems
